

# volunteer opportunity

Come join **Ottawa StoryTellers** board of directors and help guide the progress of an art that is as fresh as it is ancient.

**Ottawa StoryTellers** exists to promote the art of storytelling in our community by nurturing beginning and experienced storytellers and providing tellers and listeners of all ages with opportunities to come together to share and enjoy great stories.

## call for treasurer

**Ottawa StoryTellers** has an opportunity for an individual with a financial background to join our volunteer board of directors as Treasurer.

As a member of the board executive, the Treasurer is directly involved with financial oversight for the organization.

The commitment includes board meetings every six weeks and leadership on creating and tracking the annual budget in collaboration with staff and board members.
